

WELCOME HOME BASKETS

Moving in to a new home can be both exciting and intimidating. The young mothers at St. Anne's arrive at our door either pregnant or with a young child, after suffering years of abuse, trauma, instability and often homelessness. Most arrive with little more than the clothing they are wearing.

Along with the joy of having a new, safe living space comes the need for everyday supplies that many of us take for granted. It is our goal for each resident to open the door to a home filled with all the basics she needs to set up a comfortable household for her and her young family. St. Anne's provides Welcome Home Baskets to every resident in our Residential or Transitional Housing programs. You can help fill these baskets by donating unwrapped, new and unused items with tags. You can also make a monetary gift at give.stannes.org (\$500 covers the cost of an entire Welcome Home Basket).
