GREAT THINGS START AT St. Anne's

WHO WE SERVE

Our programs provide our city's most vulnerable with the tools and assistance they need to improve the long-term safety and success of their children and families:

- **Infants and toddlers** thrive in our Early Learning Centers while their parents go to work and school.
- **Preschoolers** learn the ABCs and begin a love of learning.
- **Young mothers** living at St. Anne's break the cycles of their past, learn to parent and create safe homes for their young children.
- **Former foster youth** receive counseling, child care and career counseling so they can start to build meaningful careers and provide for their families.
- **Low-income parents** receive counseling and parenting classes through St. Anne's each year. They work with St. Anne's to build healthy families and prevent another generation of foster children.
